LITTLE'S FRENCH MIXTURE!
This is prepared from a French Recipe, that has been much improved upon in this country; and, from its unexampled success, is likely to supersede every other remedy for the cure of chronic diseases of the kidneys and bladder, and venereal affections in all their forms. **Gonorrhoea.** See the advertisement around the bottle. **LEUCORRHOEA.** For this troublesome complaint, known as fluor albus, the use of a bottle No. 2 French mixture, and the wearing of Little's Strengthening Plaster to the back, will soon arrest it. To prevent a return, and restore the health, a bottle of the Tonic Bitters and compound Tonic Pills should be used together, immediately afterwards. This Medicine can be taken by any one, it acts promptly, and its good effect soon realized, as a day or two's use will prove. For sale by

Auction sale.
OF PLANTATION LUMBER, STEAM ENGINE, MULES, HOGS, &c.

THE subscribers will offer for sale at public auction, on the premises, **On FRIDAY, the 17th of October next,** at 10 o'clock, A. M., the **WHITEHALL PLANTATION**, on the Sunflower river, known as the old "Bookout Place," consisting of 1632 acres, 500 acres of which are fine cotton and corn land, with 300 acres cleared and under fence. The improvements consist of a large fine framed dwelling, frame negro cabins, gin-house, and the usual out-buildings found on large plantations, all in good order, and a steam saw mill, capable of cutting 2000 feet of lumber per day on an average. It is believed by persons best capable of forming a correct judgment, that the levee recently constructed and now being erected in Bolivar and Coshona counties, will render this place, together with other tracts on the Sunflower river, above the reach of overflow, and thus make them all worthy the attention of cotton planters in the hills. The owner wishing to close his business, has placed a very low limit on this place, with easy time—say, one fifth cash, balance in one, two, three and four years. In the event of his not being able to sell the place, it will be rented at the time of sale to the highest bidder who will guarantee the cultivation of the cleared land. Terms of lease made known on the day of sale.
Will be offered for sale, and positively sold to the highest bidder, the large stock of lumber, cypress and ash timber, saws, hogs, steam engine, farming utensils, groceries, dry goods, furniture, hardware, &c. For particulars, refer to the handbills. Also, a valuable family of negroes, consisting of a mother and six children, at private sale, if not previously disposed of.
The roads through the swamp are now all dry and in good order. There are three main roads leading to the place—a new wagon road from Daniel P. Mann's plantation on Deer Creek, a road from Yazoo city by Silver Creek and Straight Bayou, and one from Fisk's plantation on Yazoo river. For further information, apply to Mr. A. McCaughan, on the premises, Wm. ROWLAND, Yazoo City, or to **FOLKES & McRAE**, Sept. 24th, 1851. Auctioneers, Vicksburg.

LITTLE'S RINGWORM AND TETTER OINTMENT.
A positive cure for Ringworms, Tetters, Scald heads, and all rough, scurfy Affections upon the skin, and for Ulcers, &c. A single bottle is quite sufficient for a cure in most effects; but in scald heads, and some others of long standing, it must be continued longer, and used more freely. It has a mild application that can be used with impunity. In a number of instances it has cured sores, thought to be decidedly cancerous; indeed, had been so treated both in regular practice and the domestic circle. It has long been a DESIDERATUM in medicine to have a remedy like this. For sale by
